Dear Supporter of Arts-in-Education:

We write you today to ask you to support Young Audiences of Western New York with a **donation of wine, a gift certificate, or a basket as a silent auction item** for our upcoming event, *Pop Art Bash*. The event will take place on **Friday, November 16, 2018 from 6:00 - 10:00pm** at The Statler Hotel.

Pop Art Bash is THE funky formal, inter-imagine-active, visual and performing arts happening of the season bringing together community leaders, artists, and everyone who wishes to celebrate our mission of engaging young people in the arts to create extraordinary adults. The event will feature creation stations, performances, sumptuous tasting tables, delicious libation stations, eclectic elegance, fierce fashion, and an unforgettable evening of exquisite experiences.

Since 1962, Young Audiences of Western New York has developed and delivered education programs in all arts disciplines - music, dance, theatre, literary, visual and media arts - to more than 3 million children. We present professional artists who engage young people in creative and engaging learning opportunities throughout Western New York including Erie, Niagara, Orleans, Genesee, Wyoming, Allegany, Cattaraugus, and Chautauqua counties. Commitment to area youth has allowed us to provide creative experiences for young people who otherwise would not have access to arts in education programs.

We are respectfully requesting a donation with a value of \$25 or greater. All donors will be listed in the benefit program, on our website for a year, as well as featured in our email newsletters and mailings – which reach over 4,000 educators, parents, and patrons in the eight counties. Your donation will be a dollar wise marketing decision that will connect your company's commitment in the community with our partners. **Please return the enclosed Pop Art Bash Donor Form. To be included in the program booklet for the event, we ask that you respond by October 19, 2018.**

Thank you for considering investing in high quality arts education and sharing our dream of reaching every child in Western New York! If you have any questions, please do not hesitate to contact us directly at 716-881-0917.

Sincerely,

Michael Weidrich MBA, BFA
Executive Director
